

VIRTUAL TRAVELS

If you could visit any famous building in the world, what would you choose? With a friend or family member, pick a famous place and take a virtual tour ONLINE. (Google Earth is a good place to start.)

Which FAMOUS PLACE have you chosen?

Which CITY and COUNTRY is it in?

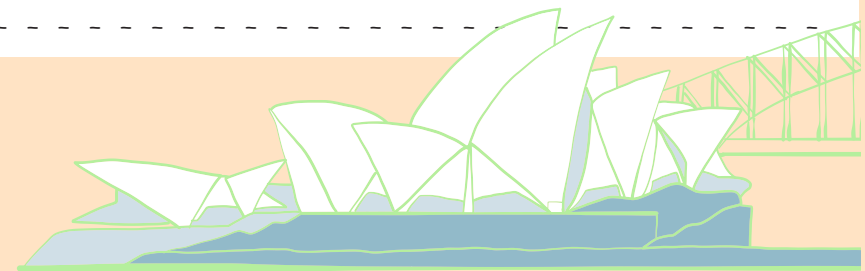

When was it BUILT?

What's it most FAMOUS for?

DRAW the building you've looked at HERE.
Can you find out an interesting fact about it?

This is a picture of:

which is interesting because:

With a roof designed to look like giant sails, **Sydney Opera House**, which opened in 1973, is one of the most famous buildings in Australia. It took fourteen years to build, and contains six different concert venues.
